

MyCare

Croydon Health Services

Online Patient Access

From September 2022 - it's as easy as...

1

Open MyCare Croydon Health Services text message. Click the link to the registration page

2

Sign up securely using your:
1.NHS app login details or,
2.Email, DOB, & mobile number

3

Access your future appointment details, letters, and a selection of your results and hospital records!

MyCare Croydon Health Services is a secure and confidential online system, for patients over 18. It allows you 24/7 access to your health information, including a selection of your hospital records and results, future appointment letters, and messages from your hospital care team! See QR code for more information or visit the Patients and Visitor section on our website: www.croydonhealthservices.co.uk

Excellent care for all
